

AMERICAN OFFICERS OF CRUISER DENVER ASSAULTED IN STREETS OF ACAPULCO BY MEXICANS

Fighting Resumed This Morning in Mexico City---Federals to Attack Rebel Stronghold This Afternoon

OVER 600 AMERICANS HAVE FLED FROM HOMES

Washington, Feb. 13.—Anti-American feeling at Acapulco, Mexico, culminated in an assault upon two officers of the cruiser Denver, before she departed yesterday afternoon for Acapulco, Honduras. The victims of the assault were Surgeon Camerer and Ensign Guthrie, who were passing through the streets.

Mexico City, Feb. 13.—Heavy fighting was expected early today before the noon hour. At 6 o'clock movements of troops were observed. In both rebel and federal positions there was scattering fire during the night. The government forces were strongly reinforced in the night hours and the federal commander declared today that he was in command of almost 7000 men. The rebels, he said, numbered approximately 3000. A number of heavy guns were brought by the federal forces before dawn and both stood in readiness for action. The federal commander declared that he would win the battle decisively in a short time and claimed an enormous advantage, both in strength and position of troops.

Mexico City, Feb. 13.—Fighting was begun at 8 o'clock this morning by a federal battery of artillery. A general attack on the rebel position was expected to start immediately. General Huerta placed in general charge of the federal artillery Lieutenant Colonel Rubio Navarrete, who has the reputation of being the most capable artilleryman in the Mexican army. He gained fame in the campaign against Orozco when he was under General Huerta's command. It was difficult to see how the rebels could long resist the fire poured in by the federal forces, but they again showed the same excellent marksmanship which characterized their previous fighting and this enabled them to offer a grim resistance.

Laredo, Tex., Feb. 13.—The whereabouts of the north-bound passenger train from Mexico City, which left there Tuesday night, is still unreported, and there is apprehension for the safety of its passengers. An unsuccessful attack was made on the south-bound Mexican National Lines passenger train which left here Tuesday. Passengers from Saltillo said today that one freight train was entirely destroyed by fire and that the fate of another freight was in doubt, since it was rumored it was attacked. The south-bound passenger train was attacked at El Saldo by a band of 50 to 100 rebels. As the train was entering the station the engineer was fired upon. Realizing the danger he reversed the lever and backed full speed toward Saltillo, pursued by the rebels on horseback but they did not overtake the train.

Mexico City, Feb. 13.—Anticipating an early resumption of hostilities today, more than 600 Americans fled last night from their homes to temporary abodes in the outskirts of the city, where the danger from the fire will be minimized.

Mexico City, Feb. 13.—Mexico's capital was torn asunder again yesterday by shot and shell. It was not until 6 o'clock last night that the fire in all quarters ceased.

General Felix Diaz, in command of the rebel forces, fortified and entrenched in and around the arsenal, held his ground against the federal forces. He did more than this. He subjected the city to a more terrible bombardment than that of Tuesday. He enlarged his zone of action and sent forces against the national palace. But last night Madero was optimistic. He says he will crush Diaz today.

Two American women were shot, one being killed and the other mortally wounded.

Ambassadors protested to both Madero and Diaz that the lives of foreigners were in danger, but without effect. Madero declared that he would cease firing if Diaz would agree to do so. Diaz charged that Madero was aiming his guns at him and he would have to reply to them. Many lives are believed to have been lost and a number of buildings, including that of the Mutual Life Insurance Company, were ruined.

Americans suffered during the height of the battle. Mrs. H. W. Holmes, the wife of an employee of Dun's agency, was killed, and Mrs. Percy Griffiths, the wife of an employee of the street railway company, was mortally wounded, both of her legs being shot off. Allie Bland, a printer, was shot through the arm.

Mrs. Holmes and Mrs. Griffiths were preparing dinner in their kitchen in an apartment building close to the arsenal, when a shell from the federal lines burst through the walls, instantly killing Mrs. Holmes and leaving Mrs. Griffiths in a dying condition. Bland was walking along Inde-

MILITIA CAPTURES STRIKERS

Charleston, W. Va., Feb. 12.—A company of militia commanded by Maj. Davis, yesterday surrounded the strikers' camp at Holly Grove on Paint Creek and captured 48 men, even a man in the camp. They were taken under heavy guard to Paint Creek junction to be tried for alleged participation in the disorders this week when a dozen or more were killed and many wounded. There are now about 125 strikers and sympathizers awaiting trial by the military commission which will begin work this afternoon. Holly Grove has been one of the most troublesome spots in the Kanawha field.

Military officers were sent into the region north of the Kanawha river today to inquire into the report that the miners last night adopted resolutions in which the death of Gov. Glasscock, General Elliott and other leaders was decreed. According to the report resolutions were posted at mining towns for twenty-five miles along the river.

Wire service to the Paint Creek country was restored by the signal service last night. These lines are controlled by the military and only official business is permitted to pass through.

MAYOR STEWART'S REMOVAL HAS BEEN ASKED

Columbus, Feb. 13.—Asking for his suspension and removal, charges of general unfitness and gross immorality were filed with Gov. Cox today against Harris T. Stewart of New Boston, a suburb of Portsmouth. The immorality charges were based on testimony given in a recent suit against the mayor by Benjamin Collins, for alienation of his wife's affections. A verdict of \$250 against Stewart was given.

SCOTT'S BODY LEFT IN FAR AWAY REGION

London, Feb. 31.—Beneath a cairn of rocks in the silent wastes of snow and ice in the antarctic circle rest the bodies of Captain Robert F. Scott, Dr. Edward A. Wilson and Lieutenant H. R. Bowers, three of the five heroic explorers who perished after reaching the South Pole.

It has been generally believed that the bodies were brought back to civilization on board the exploration ship Terra Nova, but a cablegram from Port Lyttelton, N. Z., today stated definitely that the bodies had been left behind.

In the minds of the survivors of the expedition, it was thought the remains should be left in the far away region, where the explorers died so nobly. Lieutenant Evans said at Port Lyttelton that the remains could have been brought back if it had been deemed fitting. The cairn of rocks erected over the bodies contains no epitaph, but its rude and unthought mass is representative of the simplicity of Captain Scott's nature.

In some quarters an attempt is being made to make a mystery out of the death of Captain Scott and his brave crew, because it is reasoned all were hardy and experienced explorers and could have overcome the natural difficulties which beset them. A Chris Church, N. Z., cable dispatch said that Lieutenant Evans refused to go into details as to the shortage of food and other causes contributing to the tragedy, but referred to in Captain Scott's diary on the ground that "it might hurt some people's feelings."

NO YIELDING SAYS ROOSEVELT

New York, Feb. 13.—Former President Roosevelt made his first public appearance in the councils of the Progressive party for many weeks last night, to say that so far as he is concerned there will be no compromise, no amalgamation, no yielding in the fight for the party.

The Progressive party has come to stay, he declared. The ex-president again attacked the supreme court of Idaho for its decision denying the Progressive party a place of the ticket at the fall election.

President Roosevelt declared unequivocally against the amalgamation of the Republican and Progressive parties, recently proposed by one of the leaders in the Progressive campaign last fall.

WHAT TEN CENTS A WEEK WILL DO.

Ten cents a week is several times less than the average smoker spends for cigars in a day. Ten cents a week is the price which will determine a man's loyalty to Newark and its great interests. Ten cents a week is not a large sum, but it has the power to show that one is deeply concerned in his city. Ten cents a week can be made proof conclusive that a man can rise above self-centered ambition and can become a booster for his city and its people. Ten cents a week is more than a year's membership in the Newark Board of Trade costs. Surely a man of business instinct can afford to help Newark to the extent of less than a cent and a half a day.

HIGH SCHOOL ALUMNI TO ERECT MEMORIAL TO DR. J. C. HARTZLER

A large attendance was present at a meeting of the Newark High School Alumni Association, which was held Wednesday evening in Room 18, in the High school building, and considerable important business was transacted, which included the election of the following officers for the ensuing year: President—Ralph L. Davis. Vice President—Mrs. Chas. Allen. Rec. Sec.—Esther Kissane. Cor. Sec.—Mary Swingle. Treasurer—Truesdale Stevens. It was also decided that the Association place a bronze tablet at some appropriate place in the High school building in memory of Dr. J. C. Hartzler, who for 21 years had been superintendent of the Newark schools. This tablet will be purchased from funds raised by voluntary contributions, and a committee of three was appointed to look after the matter, consisting of Charles L. Flory, Carrie Allen and Cora B. Haughey. It was also determined to hold the annual banquet on Tuesday night following commencement, the place to be decided upon later. A meeting will be held at the High school on the evening of April 14, to make arrangements for this function, and every graduate from the Newark schools is urgently requested to attend. Mr. Sherman Bagges, the retiring president, has been an indefatigable worker for the success of this organization, and it is due in a great measure to his constant efforts that it has become a strong and pleasurable movement. The treasurer's report showed a good balance in the treasury.

YOUNG MAN KILLED WEDNESDAY WAS TO BE MARRIED MARCH 14; FORMERLY WORKED IN NEWARK

Mrs. John A. Donahue and daughter Marie of 87 Clinton street, have gone to Columbus to attend the funeral of Mrs. Donahue's nephew, William Zimmerman, a B. & O. switchman, who was killed at Chicago Junction Wednesday afternoon. The details of the accident as given in the Ohio State Journal this morning were as follows: "Stepping from behind a cut of cars while switching Wednesday afternoon at Chicago Junction, Huron county, William E. Zimmerman, Baltimore & Ohio switchman, 22 years old, was struck by another cut of cars and ground to death. The body was received Wednesday evening at the Union Station by the Brown-Myers Undertaking company. Mr. and Mrs. Jacob Zimmerman, the parents of the young man, live at 376 West Second avenue. Young Zimmerman was to have been married March 14. He was a member of the Brotherhood of Railway Trainmen and the Eagles. The funeral will be held Saturday, with burial in Green Lawn cemetery. Young Zimmerman formerly resided at the home of his aunt, Mrs. Donahue, while employed as check clerk in the B. & O. yards at that point where he had been working for probably a year and a half, until about two years ago when he went to Chicago Junction, where his uncle, C. J. Richards, is yardmaster, and went to work as switchman. The young man was very well known in Newark, especially among the boxing fraternity, being considered above the average in his work with the gloves. On at least two occasions he appeared in bouts at the Auditorium and made an excellent showing. Rhodes had insisted it was not a bribe. Smith has been voting for Isaac T. Mann for senator. At the conclusion of his statement Smith asked the house to investigate the attempt to bribe him.

SENATORIAL CANDIDATE ARRESTED

Charleston, W. Va., Feb. 13.—Intense excitement was created in the house today when the Rev. T. J. Smith of West Union declared that Delegate U. G. Rhoades and another man had thrust \$500 in his pocket in a room in a Charleston hotel after he declared, Rhoades and the other man had offered him \$2,000 if he would vote for Col. W. S. Edwards for United States Senator. Charles W. Va., Feb. 13.—Judge Henry K. Black, in criminal court this morning, ordered a special grand jury convened immediately for the purpose of investigating the charges that money has been used in the U. S. senatorial campaign, now in progress in the West Virginia legislature. Process servers began their work at once. It is reported that the acts of other members of the legislature, besides the five arrested, as well as those of a number of men well known in state politics, whom he did not recognize, but will be gone into.

A SMALL LEAK WILL SINK A GREAT SHIP.

You may spend as you go, paying no attention to the opportunities to save which are advertised by progressive merchants, but you will find sooner or later that little expenses count up to large sums. A loose, here-and-there buyer can quickly squander all her money by forgetting the value of the little purchases. Care in expending the small amounts will quickly repay the economical housewife. Every night in its advertising columns THE ADVOCATE points the way to many opportunities for stopping the small leaks. Special sales are advertised by the merchants. In small things, such as soaps, ribbons, and notions, there may be just one penny off the regular price. But when you add them all together you will find that the pennies number a dollar or two. Read all the advertisements in THE ADVOCATE closely and constantly every night for opportunity to save not only pennies but dollars.

BELIEVE GIRL WAS MURDERED

Body of Mildred McFarland Exhumed at Delaware and Autopsy Held

FIND BULLET IN LUNG

Much Mystery in Connection With Case of Girl Found Dead in Questionable Rooming House.

Delaware, Feb. 13.—That Mildred McFarland, 18, was killed last October in Detroit while resisting parties against whom she had purchased a revolver to protect herself, is the belief of the mother, following an autopsy held late yesterday, when it was found that a .22 caliber bullet entered the girl's body while she was still living, and not as a blind for an earlier crime. Surgeons who made the examination following the disinterment of the remains found the death missile imbedded in the left lung, after missing the heart, and the internal hemorrhages were of such an extent that there remains little doubt that the girl was alive when shot. The stomach was removed from the body and placed in the hands of Prof. G. O. Higley, head of the Ohio Wesleyan chemistry department. He made a thorough chemical test last night, finding no poisonous substances such as had been suspected from powders said to have been given the girl the day prior to her death by a Detroit traveling man. He stated to Coroner Rothacker of Detroit that the powders were simply headache medicine, and the examination Wednesday bore out his statement.

The McFarland girl met sudden and mysterious death in a questionable Detroit rooming house Friday, October 4. She had been living with a Columbus family up until less than two months before the tragedy. With a companion, Leila Smith, 20, also paroled from the State Industrial Home for Girls, Miss McFarland went to Detroit, having borrowed funds from a Columbus loan company. They spent several days in Windsor, Canada, there hoping to escape the vigils of industrial home parole officers. Then they returned to Detroit, where the McFarland girl was engaged in photographic work at the time of her death. Miss McFarland, according to letters held by the mother, had received the promise of a Columbus young man to join her in the Michigan city and elope to Canada and be married, but he failed to appear on the given date. The faithfulness of her lover seemed to worry the McFarland girl for a few days, but then she seemed to forget her heart entanglements, and devoted her time and attention to her work in Detroit. She was making enough to pay all expenses, and it is hardly thought that her financial troubles were of sufficient magnitude to cause self-destruction. An investigation made by Mrs. Frances McFarland, the girl's mother, three weeks after the tragedy, revealed some inexplicable conditions, and the Detroit police were asked to take a hand in the case. They questioned a clear salesman of that city, besides the matron of the house where the McFarland girl stopped, and her associate. The Smith girl, but not a fact worth using to produce an indictment could be learned. The officials here admit that there is much mystery in connection with the case, but they are at a loss to know what procedure to take. The McFarland family at one time lived in Columbus, moving from there to Delaware about eight years ago. Emory McFarland, father of the dead girl, was at one time a Columbus fireman, but is now a railway expressman in Oregon.

AMUSEMENTS

LAST NIGHT'S PLAY.

"Miss Nobody from Starland" was the attraction at the Auditorium theatre last night, playing to a fair-sized house. The play billed as a musical entertainment, is staged by Mort H. Singer of Chicago, whose productions in Newark have always made good. Last night's offering was no exception and the entire cast was clever. The work of Miss Mary Vail in the stellar role of Sylvia Miller, the Auditorium Friday and Saturday, February 14 and 15, with a matinee each day. "Convict Life in the Ohio Penitentiary" is the alluring title of these pictures and they are said to be the most wonderful ever taken. One of the most interesting perhaps is the daring escape of General John H. Morgan and his officers. Pictures are shown of this daring, daring and fearless Southern leader of the cells from which he and his soldiers escaped through the wall masonry, using only a common case knife as a tool of the walls which these intrepid southerners had broken through the very eyes of the United States military police. The pictures should pack the

being unusually good and her song numbers receiving encore after encore. Jesse Baker as Nina, an Italian girl, was an excellent vocalist and a graceful dancer, featuring several of the latest rhythmic motions. The chorus work was very good and a number of song hits were brought out during the action of the play.

Suffered Twenty-One Years—Finally Found Relief.

Having suffered for twenty-one years with a pain in my side, I finally found relief in Dr. Kilmer's Swamp-Root. The physicians called it "Mother's Pain," and injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several smaller ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours,

MRS. JOSEPH CONSTANCE, Avonelles Par., Marksville, La.
Personally appeared before me this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.

the London. The three acts of "Baby Mine" are a page of fresh, bubbling human nature. The situations in the play pile up on one another and are said to produce no end of merriment. Wm. A. Brady, Ltd., directs the tour.

DELANOS "THE WOMAN"

The dramatic sensation of last season in New York, David Delano's presentation of William C. deMille's great American play, "The Woman," is among the early bookings for the Auditorium.

ORPHEUM THEATRE.

One of the best and biggest shows of the season is now on at the Orpheum theatre. Dr. Herbert Flint, America's greatest hypnotist, is the main attraction. A great many people have no chance to see a real hypnotist, and it may be well to know that Dr. Flint is in Newark and will give a change of show each day. The first performance was at the matinee Monday, and a fair sized crowd was present to witness the show, and the doctor sure did make them all laugh from the time the performance started until the fall of the curtain at the end of the performance. The funny part of the show was that a number of boys from the audience started upon the stage and remarked that no man could hypnotize them. But they soon learned that the doctor was no bluff for he had the boys dancing and singing and doing all kinds of things. One of the boys thought he was a married man and the father of a beautiful baby, and there in the face of the audience the young man with a rag doll in his hand, was singing it to sleep.

The whole performance from start to finish was a scream. The performances are for ladies and children, as well as for gentlemen.

Dr. Flint will give a different show at each performance during his stay in the city this week, and no one can go wrong to visit the Orpheum.

COMING TO THE ORPHEUM THEATRE.

Mr. Mark Lea and his company will come to the Orpheum next week. Mr. Lea is an old favorite in Newark and his many friends will be glad to welcome him back to our city.

Mr. Lea has a very large company this season and the only thing Manager Boyce is sorry for is that he has not got a larger house in which to play this company. Mr. Lea is carrying all special scenery this season and he has a chorus seldom seen with a company that plays the vaudeville theatres.

Keep your eyes on the billboards and don't forget the date, Monday, February 17.

COMING TO THE ORPHEUM SUNDAY

Another one of those big winners in the way of photo plays. The main feature for Sunday will be the three-reel first time feature, "The Power of Civilization."

Over one thousand actors will take part in the great picture. The picture tells a story of the early days among the Indians, showing the public just how the real American was treated by the first white men to enter our country.

There will also be two other reels of very fine pictures to make up the five-reel program. Mrs. Grace Cranston and her popular orchestra and Miss La Compt will furnish the music.

FIGHTERS AT TABERNACLE.

Through the efforts of Harry Sully, young prize fighter of Columbus, nearly every "pug" with headquarters in Columbus and his manager will attend the Billy Sunday meeting Saturday afternoon. They will meet in Jake Hart's training quarters and will march in a body to the tabernacle, where seats will be reserved for them. Sammy Trotter, Harry Sully, Nick Albanese, George Watson, Eddie Forrest, Jake Hart, Chris Nowell, Kid Clarke, Johnny West, Dick Coy, formerly of Newark, and George Christian will be in the party.

Frank Stockdale to Lecture at Y. M. C. A. Thursday Eve., Feb. 20

Frank Stockdale, who gives his lecture, "The Dawn of Plenty," at the Y. M. C. A. hall February 20, is one of the younger successes of the lecture platform. His lecture deals with those things which are interesting to all people and his forthright way of presenting these truths make for him friends wherever he goes. This is what Olof Gates, secretary of the

board of directors of the Dayton Y. M. C. A. says about Mr. Stockdale's lecture:

"The lecture was so good and interesting that we immediately tried to make arrangements for a return engagement. Mr. Stockdale has a wonderful pleasing manner of oratory and the whole proposition is clean and instructive. One of the features that I had feared was that there would be too much advertising in the lecture, but I was agreeably surprised to find this practically all eliminated."

The seats for this lecture will be reserved and will be on sale at the Y. M. C. A. Feb. 17. The price of admission will be 25 cents for adults and 15 cents for children. The proceeds of this lecture will go to the boys camp fund and will be a means of helping to make the boys summer camp a great success.

Coshocton Elks Coming to Minstrel in a Special Car

Many Coshocton people are waiting anxiously for the Elks Minstrel, to be given by the Newark Elks lodge, March 27.

The minstrels put on by the Elks in this city a year ago pleased beyond words Coshocton Elks who attended. It is quite possible that a number of sufficient size can be interested to go to the Licking county seat so that a car can be chartered for that purpose.

Gene Schlegel, Bernie Wingerter, Rollin Baird, Jay Cooper and many other Newarkites, popular with the Coshocton boys, are down on the program for a fancy turn or two, and of course will act as a drawing card. Mr. Schlegel introduced the "bear dance" in home talent productions here when he did some "stunts" for local Elks at their minstrel last spring.—Coshocton Age.

American Playwright to Live in England

Charles Klein, the playwright, announced recently that he intended to take up his permanent residence in London. He said that his long English interests demanded his presence there and that the climate on the other side seemed more beneficial to Mrs. Klein's health. Mr. Klein has played his country estates in Connecticut on the market, and is planning to have this country about the first of May.

SOCIETY

The Progressive club had for hostess Wednesday, Mrs. Lawrence Kreis of Elmwood avenue. The program was:

Roll call—Current Events. "Plans of the Crossways"—Mrs. William Zentmyer. "The Moving Picture Show" was given by Mrs. Beatty of the Investigators club. A dainty luncheon closed the meeting.

Miss Florence Haegge inaugurated her dancing school, and gave the first instructions relative to the introduction of a number of new and fascinating dances on Tuesday evening at Assembly Hall. Miss Haegge has had a large experience in the teaching of fancy dancing, and two very pretty and novel dances were taught on Tuesday evening. Instructions are given until 9 o'clock when general dancing is enjoyed. Rosebraugh's orchestra furnished the dance program. Miss Haegge will give a series of lessons on Tuesday evening of each week.

Mrs. Kate Ankele was hostess to the Independent Circle of Rebekahs,

fourteen being present. Interesting papers were read by the following members: Mr. Atherton, Mrs. Frisio, and Mr. Crawshaw. The hostess served a two course supper to the members and guest, Mr. Morris Ankele. Mrs. Ida Gallagher received the club prize. The next meeting will be held with Mrs. Mary Lamb on Valaudham street.

The Semper Fidelis class of the First Presbyterian Sunday school was entertained at the home of Miss Genevieve Forry on West Main street, Tuesday evening. There was a good attendance and the usual business meeting was held in the early part of the evening. Two new committees were decided upon, the investigating consisting of May Livingston, Helen Bradley and Myrtle Lucas, and the visiting committee, Mrs. William Irish, Mrs. Weekly, Mrs. Hattie Biebee and Mary Speer.

The next meeting will be held at the home of Hazel Lipplacott, 127 Eleventh street on March 11. At the conclusion of the business meeting dainty refreshments were served and a pleasant social hour was spent.

The Young People's society of the Fifth Street Baptist church is planning to hold a St. Valentine's reception and social in the church parlors on Friday evening. There will be games, guessing contests, music and

Why Expect the Worst?

THE postman had left a letter. "Dear! dear!" she said, disconsolately, examining the postmark and handwriting, "I wonder what has happened? I haven't had a letter from these folks for a long time. I know some of them must be sick. Isn't it dreadful? Everybody is sick nowadays."

She broke the seal apprehensively, and began to read. As she read, her face brightened. "There's nothing the matter," she said, as she finished. "But I certainly expected bad news when I saw that letter."

A good many of us are like that woman. If we receive a letter from a friend at an unusual time, we think immediately, "Something has gone wrong." If some member of the family writes when we are not looking for word, the very envelope says, "Sickness," or some other dire woe. But not only do unexpected letters fill us with apprehension, but in regard to many other things, do we expect the worst.

If an automobile is bought, doesn't some one in the circle of relatives or friends say gloomily, "I just know there'll be an awful accident?"

If one is going on a trip, isn't there some one to arise and prophesy sickness, or the loss of pocketbook or tickets?

And so it goes.

But why look for the worst?

Every one of these things has a bright face as well as a dark one. One is just as likely to be turned toward us as the other. So why expect the unpleasant?

And we may be actually doing ourselves or others harm by expecting the worst.

For we are beginning to see, though dimly as yet, that a lot of which we heretofore have known little, are at work. We are beginning to find out that in the realms of the unseen, as well as in the realms of the seen, the law of attraction holds good, and that like attracts like; and that if our mind is filled with the thought of disaster, we attract that disaster to us. Job says, "That which I greatly feared is come upon me." And that which we give mental form to, may in time materialize.

So since expecting the worst does no good and may do evil, why not face about and expect the best? If looking for the unpleasant has no other result, it gives us a gloomy outlook on life. And this in itself is depressing. It affects our health, and then things begin to go wrong.

But some will say, life really has ill in store for us. Even so, why anticipate it? And, too, we are beginning to doubt somewhat the statement, and to see that life itself is good, and that it is we who twist it and make it go wrong.

And who knows?—we may give it the initial twist, by always looking for the worst.

So, let us expect the postman to bring us good news.

Let us expect health, exhilaration, delight from the automobile.

Let us expect unalloyed pleasure from the trip.

Let us expect the good that the Giver of all things has created so bountifully.

If we do, we'll be in a happier frame of mind, won't we, than if we expect the worst?

Barbara Boyd.

a general good time for everybody who will come. Every member of the society and the church is expected to be present and the public is invited to enjoy the evening. Each girl or woman is asked to bring a necktie made from the material from which is made the dress she wears to the social. If she has no material like her dress, make two ties from the same material and bring them. No admission will be charged and refreshments will be served. A silver offering will be taken. Everybody will be made welcome.

Mrs. J. F. Irwin received the members of the Wednesday Bridge club yesterday at her home in Hudson avenue. The prizes at the conclusion of the afternoon's pleasure being given Mrs. D. M. Black and Mrs. Ralph Davis.

Mrs. Anthony Fell will entertain the members of the S. G. club at her home in Linden avenue on Thursday evening.

Mr. and Mrs. Charles C. Aler (Mrs. Elizabeth Thompson Wilson), who were married at noon Wednesday, left after the ceremony for an Eastern trip and will be away several weeks. Rev. Dr. Luther Freeman of First M. E. church conducted the ceremony at the home of the bride, 56 Latta avenue, in the presence of the immediate families. Mrs. Sybil McGrath of Lawrence, Mass., sister of the bride, was among the guests.—State Journal.

Mrs. Aler is well known to Newark and Granville people, having taught music at the conservatory of music at Denison University.

A surprise was tendered Mrs. E. B. Johnson at her home on North street, Hoboken, in honor of her birth anniversary. Mrs. Johnson was the recipient of a number of beautiful presents, and an enjoyable evening with music and games was passed, with an oyster supper for the inner man.

The following were present: Mr. and Mrs. E. B. Johnson, Mrs. Price of Broughton, Mo., Eveline Price, Mr. and Mrs. Clarence Price and two daughters, Mr. and Mrs. J. Kolp and daughter, Mrs. Kate Hutzell, Mrs. Anna Davis, Mrs. Ida Woolard, Mrs. Lavina Walters, Mrs. McGinnis and two sons, Mrs. Cora Fellers, Mrs. Polton, Mrs. Mae Slaght of Columbus, Mrs. Rachel Price.

A jolly sled load went to the beautiful country home of Mr. and Mrs. N. E. Price, Sunday. Covers were laid for Mr. and Mrs. John Price, Mr. and Mrs. C. Price and daughter, Mr. and Mrs. John Kolp and daughter, Mrs. Rebecca Price, Mrs. Rachel Price, Mrs. Eli Johnson, Mrs. Grace McGinnis and two sons. All had a delightful time.

The friends of Ray Evans of the C. E. Evans & Company grocery store, decided that a miscellaneous shower be very appropriate at this time and, settled on Monday evening for the date of the occasion. To make sure that he would be at home on that evening arrangements were consummated whereby they were to spend the evening. The affair was a stag party in the shape of a masquerade, and was a complete surprise to Mr. Evans.

He resides with his brother at 22 Hudson avenue, and when the party knocked at the door he, expecting his two friends, opened it, only to be confronted with a grotesquely-attired crowd. His first exclamation was: "Here! You are in the wrong place," and attempted to bar their entrance. His effort was vain, however, and he was compelled to admit his self-invited guests. After the surprise wore off and he realized that he was being honored, he regained his composure and made his guests feel very much at

home. The evening was enjoyably spent in playing pedro, while choice refreshments provided by his sister-in-law, Mrs. C. E. Evans, assisted by Mrs. William Bonham, Mrs. H. O. O'Brien and Miss Mae Evans were greatly appreciated. Mr. Evans was the recipient of quite a number of presents for which he expressed his sincere thanks.

The guests were: Messrs. Henry Osborn, Bert Warrington, Homer Craymer, George Meyers, Frank and Charles Dugan, Amzi Westbrook, Clarence Evans, R. L. Williams, Dr. R. G. Downs, Anthony Starr, John Osborn, William Howard and Ray Evans.

A very pleasant surprise was given Miss Minnie Beck at her home, 131 Pataskala street, by a number of her friends last evening. The evening was spent in games and music and at a late hour a dainty lunch was served. The guests were:

Misses Bertha Ellis, Edith Bowers, Katherine Staugh, Myrtle Vogel, Helen Wintermantle, Florence Bowers, Pearl Iden, Lara Harter, Edith Fleming, Vestal Wilson, Minnie Beck, Messrs. Oliver Parr, Homer Parr, William Harrison, Fred Bodle, Walter Baker, Ross Applegate, Carl Hayes, Glenn Wilson, Albert Kaiser, William Hall, Everett Moore, George Beck, Harry Armstrong, Raymond Hall, Harry Walker.

The Women's Missionary society of the First Presbyterian church will hold their annual meeting for election of officers Friday at 2 o'clock at the church. Light refreshments will be served.

SUMMIT STATION WILL HAVE NEW CANNING FACTORY

About 650 Acres Have Been Pledged by Farmers for the Purpose of Raising Vegetables.

Summit Station, Feb. 12.—The people of this community are congratulating themselves that the final arrangements have at last been completed whereby they will secure the canning factory at this place.

About 650 acres of peas, beans and vegetables have been pledged, and the C. E. Sears Co. of Circleville has closed the deal for the location, which is to be on the site formerly occupied by the Columbus Clay Manufacturing Co. Work of remodeling same will begin just as soon as the weather will permit.

Nothing has ever been offered this community which will be of as much value to both village and surrounding country as this plant. It should receive the hearty support of every citizen and farmer in reach of it.

Mr. H. M. Crites of the company informs us that a few more acres can be used than are contracted for, and any farmer desiring to raise products for the factory this season should secure contracts for the same as soon as possible. The C. E. Sears Company is the largest corn-canning factory in Ohio and the largest pea-canning factory in the United States.

Accusing Fingers Point to Coffee

Last year the Government Health Office, by authority of the District of Columbia, issued an appeal to parents, asking them not to allow their children to drink coffee or tea.

They noticed that the children who drank coffee were nervous and didn't get along in their studies, and were not healthy looking—

And those who did not drink coffee or tea, were, as a rule, strong and vigorous and got along well in their studies.

It isn't so much what Doctors, Government Nurses or the School Teachers of the country are saying about coffee, as

How Does Coffee Treat You?

Every coffee drinker who is afflicted with nervousness, sleeplessness, heart irritation, indigestion or biliousness (and most of them are) should consider that

A cup of coffee contains about 2 1/2 grains of caffeine—a poison. Hence the various troubles from coffee drinking.

CAN ALMOST SEE PIMPLES GO

The New Calcium Sulphide Treatment Does Wonders to Every Kind of Skin Eruption.

You don't want to get rid of your pimples or other skin eruptions. You want to get rid of them right now. Next week you may want to go some place where you wouldn't like to have the pimples along.

Pimples Quickly Disappear from Face. Arms, Neck and Back, and Insure a Beautiful Complexion.

You can get rid of them fast in time by taking Stuart's Calcium Sulphide.

These wonderful skin workers have cured bad boils in two days, and some cases of skin disease in a week.

They contain as the main ingredient most thorough and effective blood cleanser known—calcium sulphide.

Remember this, that most pimple treatments make you miserable. And they are miserably slow besides.

Stuart's Calcium Sulphide have not a particle of poison in them. They are free from mercury, and drugs or poisonous opiates. They are absolutely guaranteed. They can do any harm, but they always do good—good that you can see in the mirror before your own eyes a few days later.

Don't be any longer humiliated by having a scabrous face. Don't have strangers stare at you or allow your friends to be ashamed of you because of your face.

Your blood makes what you are. The men and women who forge ahead are those with pure blood and pure faces.

Stuart's Calcium Sulphide will make you happy because your face will be a welcome sight not only to yourself when you look into the glass, but to everybody else who knows you and talks to you.

Stuart's Calcium Sulphide are sold by all first class druggists at 50 cents a box. They are very pleasant to the taste and in results are truly remarkable.

The Best Cough Syrup is Easily Made at Home

Costs Little and Acts Quickly. Money Refunded If It Fails.

This recipe makes a pint of cough syrup, and saves you about \$2.00 as compared with ordinary cough remedies. It stops obstinate coughs—even whooping cough—in a hurry, and is splendid for sore lungs, asthma, croup, hoarseness and other throat troubles.

Mix one pint of granulated sugar with 1 1/2 pint of warm water, and stir for 2 minutes. Put 20 ounces of Pinex (50 cents) worthy in a pint bottle, and add the Sugar Syrup. Take a teaspoonful every one, two or three hours. Tastes like candy.

This takes right hold of a cough and gives almost instant relief. It stimulates the appetite and is slightly laxative—both excellent features.

Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in quinine and the other natural healing pine elements.

No other preparation will do the work of Pinex in this recipe, although trained honey can be used instead of the sugar syrup, if desired.

Thousands of themselves in the United States and Canada now use this Pinex and Sugar Syrup recipe. This plan has often been imitated, but the old, successful formula has never been equaled. Its low cost and quick results have made it immensely popular.

A guarantee of absolute satisfaction, or money refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., E. Wayne, Ind.

NEWARK HIGH ENTERS WESLEYAN B. B. TOURNEY

Delaware, O., Feb. 13.—Twenty-one teams have been entered in Ohio Wesleyan's basketball tournament which is to be held at Edwards Gymnasium under new rules this year. In order to make conditions easier for the teams than last year, when the winners played half a dozen contests in two days, the schedule has been made to cover three periods. For the preliminaries, one section will play Feb. 28 and March 1, and another March 7 and 8. The winners in the two classes will clash here March 15.

The teams scheduled for the first division are Bluffton, Lima, Marietta, Mt. Vernon, Nelsonville, Newark, Ravenna, Springfield, Steele of Dayton, and Tiffin. In the second are Bryan, Canton, Delaware, Findlay, Lancaster, Alliance, Mansfield, Ottawa, Plain City, Westerville and Waynesville. Other entries are expected.

Silver loving cups will be awarded the winning teams and the university has arranged to take care of all visiting teams, allowing seven players to each squad.

DENNISON YEGGS PRISONERS HERE ON DECEMBER 19

William Sullivan and James Burns under arrest at Dennison, charged with blowing a safe there two days ago, have been identified by local police officers as two men arrested here Dec. 19, when they gave the names of Harry Murphy and James Carroll.

A squad of patrolmen rounded up five men in a hobo camp south of the city and held them for investigation. The men were tough customers and the police officers hoped to be able to find something on them. Aside from a quantity of soap such as is used by safe-blowers, nothing incriminating was found when the men were searched.

They were "mugged" and their pictures added to the collection of police characters in the local rogues' gallery. Wednesday Chief of Police Blizard received photos of the two men from the Dennison authorities and Sullivan and Burns were readily identified as Murphy and Carroll. William McGuire, Wm. Conley and Harry Riley were the other three in the party when arrested here.

MAY ADJOURN OHIO ASSEMBLY ON MARCH 21

Columbus, Feb. 13.—A movement was begun at the general assembly today to have both houses adjourn March 21 and adjourn sine die two weeks later. The movement contemplates a second session at the call of Governor Cox probably next January. W. D. Fulton of Licking county today was appointed a member of the joint legislative committee to investigate state departments in compliance with a resolution already adopted.

Charging that there are sleepers in the bill and that it does not provide for the pure torrens system of land title registration several democrats said today that they would oppose the Reid bill when it comes up to the house for final passage late today. The bill which practically would abolish capital punishment in Ohio also will be considered by the house today. It provides life sentences for first degree murder unless the jury recommends electrocution.

OBITUARY

FUNERAL OF J. B. WEST.
The funeral of the late J. B. West, killed in the B. & O. yards Tuesday evening, will be held at Newcomerstown, Friday afternoon, the remains leaving Newark at 1 o'clock on the Pennsylvania railroad. Mr. West's mother and brothers arrived Thursday from Hiteman, Ia. The unfortunate man was a member of the Switchman's Union and also of the Red Men and it is probable that members of the order here may accompany the funeral party to Newcomerstown.

CARD OF THANKS.
We wish to express our sincere thanks to all friends and neighbors for the sympathy shown us in our sorrow and bereavement in the loss of our dear wife and mother; also for the beautiful floral offerings. Especially do we thank Rev. Lawrence and Rev. Trier and the choir for their kind services and Criss Bros. & Jones for the manner in which they conducted the funeral. Mr. Will Lyons and Family.

was today ordered to draw on the state department for \$10,000. This could be used for relief of the destitute or for getting Americans out of Mexico.

Secretary of State Knox received a dispatch from Ambassador Wilson last night, stating that many of the citizens of the city had appealed to the American embassy for protection.

Secretary Knox replied at once, directing Mr. Wilson to furnish every protection possible to these citizens; to give them shelter and food if necessary.

He also advised Ambassador Wilson to impress upon the American residents that they must keep out of the zone of fire.

Mr. Wilson reported further that large numbers of Americans and other foreigners, terrorized because of the rain of bullets in the residential section, had sought protection at the embassy and in that neighborhood of the city. The ambassador said that he found places of refuge for hundreds.

Late developments were awaited by Secretary Knox and other state department officials at the Knox residence last night, where messages from Ambassador Wilson were received and answered.

President Taft talked with callers today about the situation in Mexico and they said he regarded the case more grave now than it had been at any time since the abdication of Porfirio Diaz.

In regards to reports that Mr. Taft had or would consult President-elect Wilson it was said at the White House that the President considered the Mexican problem one for him alone until March 4. Officials here are alarmed. They feel the gravest concern for the safety of Americans in Acapulco pending the arrival of the cruiser South Dakota.

INVASION PLANNED FROM TWO POINTS
Washington, Feb. 13.—It was agreed by the president and his cabinet and military and naval experts that the first expedition into Mexico, if found necessary, should be one of 5000 men, to be rushed to Vera Cruz from Newport News on four transports.

The second or big military expedition is to be mobilized at Galveston. This will embrace at least 25,000 men, and probably 30,000. The nearest troops to Galveston will go first, and these are the 4000 or 5000 men of all arms under command of Gen. E. Z. Steever, whose headquarters are at San Antonio. The other troops to make up the complement are regulars to be drawn from every post in the United States.

It was definitely determined by the secretary of war and the president that no troops should be sent from the United States west coast to the west coast of Mexico.

The plans for the army contemplate the landing of the greater part of the troops at Vera Cruz and probably 2000 or 3000 at Tampico. If necessary, under the guns of the Virginia, which has been sent to that port instead of the Georgia, the latter having been diverted by orders to Vera Cruz.

P. V. DeGraw, Fourth Assistant Postmaster General, One of Earliest Pioneers of Propaganda—Charles D. Miles, Secretary to President, is Man of Many Duties.

By ARTHUR W. DUNN.

Washington, Feb. 13.—[Special.]—Though the new parcel post law is not yet in complete working order and will need some amendments to make it meet various conditions, it has already demonstrated that it is a very useful addition to the postal service. Like the postal savings bank, it was hard to obtain, but since it has been put in force there are many persons who are willing to have the credit for its adoption.

Parcel Post Pioneer.

One of the pioneers in the parcel post propaganda was P. V. DeGraw, fourth assistant postmaster general. As far back as 1904 he began recommending that a low rate of postage be fixed on merchandise weighing not less than five pounds and transported over rural free delivery routes.

DeGraw is known as the rural free delivery man, for he has had charge of that work in the past eight years he has held his present position.

In all that time he contended for a parcel post system on rural routes. When the system was finally established, however, congress thought it wise to extend it to all mail routes, with the result that we now have a real parcel post law.

Man of Many Duties.
Charles D. Miles is a man of many duties. He has been an assistant secretary of the treasury, then secretary to the president, then chairman of the national committee, then back as secretary to the president. And in these days if men go to see the secretary on any fine afternoon they are told that he is "out playing golf with the president."

Hilles is occupied all the time. And it illustrates another fact—the president likes only certain persons. He always plays golf with the same men, generally officials with whom he is closely associated. There are a dozen different golf players who would like to "take on" the president for a game, but he prefers the same men day after day.

The nearest troops to Galveston will go first, and these are the 4000 or 5000 men of all arms under command of Gen. E. Z. Steever, whose headquarters are at San Antonio. The other troops to make up the complement are regulars to be drawn from every post in the United States.

It was definitely determined by the secretary of war and the president that no troops should be sent from the United States west coast to the west coast of Mexico.

The plans for the army contemplate the landing of the greater part of the troops at Vera Cruz and probably 2000 or 3000 at Tampico. If necessary, under the guns of the Virginia, which has been sent to that port instead of the Georgia, the latter having been diverted by orders to Vera Cruz.

P. V. DeGraw, Fourth Assistant Postmaster General, One of Earliest Pioneers of Propaganda—Charles D. Miles, Secretary to President, is Man of Many Duties.

By ARTHUR W. DUNN.

Washington, Feb. 13.—[Special.]—Though the new parcel post law is not yet in complete working order and will need some amendments to make it meet various conditions, it has already demonstrated that it is a very useful addition to the postal service. Like the postal savings bank, it was hard to obtain, but since it has been put in force there are many persons who are willing to have the credit for its adoption.

Parcel Post Pioneer.

One of the pioneers in the parcel post propaganda was P. V. DeGraw, fourth assistant postmaster general. As far back as 1904 he began recommending that a low rate of postage be fixed on merchandise weighing not less than five pounds and transported over rural free delivery routes.

DeGraw is known as the rural free delivery man, for he has had charge of that work in the past eight years he has held his present position.

In all that time he contended for a parcel post system on rural routes. When the system was finally established, however, congress thought it wise to extend it to all mail routes, with the result that we now have a real parcel post law.

Man of Many Duties.
Charles D. Miles is a man of many duties. He has been an assistant secretary of the treasury, then secretary to the president, then chairman of the national committee, then back as secretary to the president. And in these days if men go to see the secretary on any fine afternoon they are told that he is "out playing golf with the president."

Hilles is occupied all the time. And it illustrates another fact—the president likes only certain persons. He always plays golf with the same men, generally officials with whom he is closely associated. There are a dozen different golf players who would like to "take on" the president for a game, but he prefers the same men day after day.

BOWLER AND PIN BOY HURT AT SAME TIME

Ray Catt, pin boy at the Music Hall alleys, and John A. Kennedy, well known local bowler, member of the Zonule club, were both unconscious for a short time Wednesday night, as a result of simultaneous accidents. Catt was struck by a flying quilter pin and fell unconscious. Mr. Kennedy started down the alley to assist the pin boy, and slipped on the smooth surface and fell heavily. He was also rendered unconscious. Both were soon revived and neither suffered any ill effects. Mr. Kennedy resumed his place in the game and Young Catt continued to "set 'em up in the other alley."

BOWLING

COSHOCTON BEATEN

Last night the Coshocton boys came up and were defeated by 92 pins on the Music Hall alleys by that fast Zonule quintette team. J. Winters of the Zonule had high average and Wilson had high score. Bro. Thomas is a good roller, but all out of form when he leaves his home town.

K. OF C. LEAGUE.

In the K. of C. League on the Music Hall alleys last night, the Imperials took two from the Big Chiefs. Teeney had high score and high average.

WEHRLER LEAGUE

In the Wehrler League last night on Wilson's alleys, the Riveters won two from the Bench Molders. Galloway had high score and high total. The feature of the games was the closeness, the first and third games being won by one pin.

WON TWO GAMES OUT OF THREE

In the second match of the Wehrler league, the Novelty won two from the Platers. Hall had high score and high total.

"CASCARETS" BEST FOR THE BOWELS LEGISLATURE STARTS PROBE NEXT WEEK

The Millions of Cascaret Users Never Have Headache, Constipation, Biliousness, or Sick Stomach.

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction. Are you keeping clean inside with Cascarets or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A ten-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

THE BIRTHDAY CALENDAR.

IF THIS IS YOUR BIRTHDAY

You may expect checks cashed by you to return, but money loaned to your acquaintances will not return. In general, your year will be successful.

Those born to-day will have pleasant and generous dispositions and many friends. They will be whimsical and will have strange fads, but their sunny dispositions will counterbalance these and give an interesting character. (Feb. 13.)

LIKE FINDING MONEY.

W. A. Erman & Son Offer Popular Medicine at Half-Price.

W. A. Erman & Son, the popular druggists, are making an offer that is just like finding money, for they are selling a regular 50 cent bottle of Dr. Howard's celebrated specific for the cure of constipation and dyspepsia at half price. In addition to this large discount, they agree to return the money to any purchaser whom the specific does not cure.

It is quite unusual to be able to buy fifty cent pieces for a quarter, but that is what this offer really means, for it is only recently through the solicitation of Druggists W. A. Erman & Son that this medicine could be bought for less than 50 cents. They urged the proprietors to allow them to sell it at this reduced price for a little while, agreeing to sell a certain amount. The result has justified their good judgment, for the sale has been something remarkable.

Anyone who suffers with headache, dyspepsia, dizziness, sour stomach, specks before the eyes, or any liver trouble, should take advantage of this opportunity, for Dr. Howard's specific will cure all these troubles. But if by any chance it should not, W. A. Erman & Son will return your money.

THE SUFFRAGETTE ARMY STARTS FOR NATIONAL CAPITAL

Band of 200 Reduced to 16 Remains Before Night on Account of Cold Weather.

Menasha, N. J., Feb. 12.—It was a half-frozen army of 16 suffragettes, reduced by cold and exposure to that number from an original 200 who left Newark, N. J., yesterday morning, that struggled into this village shortly after 6 last night to make its first advance of its 20-mile march to Washington to carry a message to Woodrow Wilson on the day of his inauguration, as the first day of arduous training for the women in tents and quarters. Unhappily, left the ranks and sought warmth indoors and then returned to themselves, describing by boarding trains for their homes.

Starting at 10 o'clock from Newark after a late ride under the Hudson river from New York, the women covered 16 miles in the face of a bitterly cold wind and over icy roads. The temperature was hovering around the zero mark and the women arrived here with their noses and ears red and aching.

The remaining 16, commanded by General Joseph G. Jones, are the regulars, who lodged themselves to march the entire distance. The other 184 had volunteered for one day's march, but did not count on the cold weather, proffering their promises when the mercury stood many degrees higher than it did yesterday.

The 16 miles were made in about five hours of actual marching.

FROM L. A. STARE.

(Communicated.)
I wish to state that there was no "collusion" between myself and the other bidders on school seats, my bid being fair and square, and the lowest bid on the quality of seats desired. Respectfully,
L. A. STARE.

Columbus, O., Feb. 12. The proposed legislative probe of state offices promises to be in full swing next week. The senate part of the probe committee was named by President Nichols Wednesday and consists of Senators McDermon, Seward and Holden. The House side will be named Thursday and the committee will organize probably before Thursday night and be ready for business next week. According to the probe resolution, the committee is to investigate all state offices and departments to determine if they are being conducted economically.

Intoxicated persons caught driving automobiles or motor cycles are to be severely dealt with according to the terms of the Bartleson bill, which the senate practically enacted into law Wednesday, and which now awaits the signature of the governor. The bill is designed as a means of preventing reckless handling of motor vehicles. It provides a penalty of \$100 fine or six months' jail sentence, or both, for the intoxicated persons caught driving a vehicle.

The Haus senate bill, which passed the senate Wednesday, is designed to protect wholesale buyers from fraud. The bill provides that when a merchant sells his goods on credit, the purchasers must demand a list of creditors and must notify the creditors that he has purchased the stock. This gives the wholesaler a chance to know when his goods are being transferred without payment and allows him a lien upon them.

The Greenlund bill, which contains the proposed mothers' pension law as well as a code of civil welfare laws, is to be revised by a subcommittee of the house and senate labor committee. Serious objections are to be met by the committee and worthy suggestions for improvement in the bill incorporated. The subcommittee consists of Senators Dollison, Greenlund and Wise and Representatives Tetlow, Volmar and Nye.

HARRY KALE IS RECOVERING FROM ACCIDENT

The friends of Harry Kale, the B. & O. freight conductor, who was so seriously injured several weeks ago, will be glad to learn that he is improving nicely. Mr. Kale has been in the Protestant Hospital in Columbus since the accident and the cast has just been removed from his arm, which was broken at the wrist, badly cut across the hand and one finger taken off.

The right leg, a part of which had to be amputated, is healing nicely, and as soon as possible he will be removed to his home in Athens.

STERILIZATION BILL PASSED IN MICHIGAN

Lansing, Mich., Feb. 12.—The Odell bill, providing for the sterilization of mental defectives and degenerate criminals confined in state institutions, passed the house by a vote of 72 to 14. Two years ago the bill passed the house and was defeated in the senate, but it is expected to go through the upper house this year.

New York will have one of the world's greatest skylights in its new postoffice, as it will contain ninety tons of glass.
